Nova Cesta 60, Zagreb
<http://www.makstravel.hr/>

Key Topics :

- 1) Preclinical/clinical interface in validating drug targets, drug repurposing and their biomarkers in GI
- 2) Pharmacological aspects of gut microbiota, inflammation and metabolic diseases
- 3) GI immunity, metabolism and potential drug development
- 4) GI mucosal injury and permeability
- 5) Gut-brain axis in neurological diseases
- 6) Rethinking of stress and stress significance in GI tract

The symposium will include a full range of academic sessions, plenary lectures, oral and poster presentations, and industrial sessions. For further information about abstract submission, registration, hotel, and potential publications of full manuscripts, please visit www.gi-iuphar-section-meeting-2016.com.

Call for Abstracts :

Deadline for abstract submission is **April 10th, 2016**.

The submission of abstracts is available online on

www.gi-iuphar-section-meeting-2016.com

where you can also find the abstract submission guidelines.

All abstracts submitted will be reviewed by a panel of reviewers. Notifications of abstract acceptance (oral or poster presentation) will be e-mailed to the author by April 20th, 2016.

All presenters are required to register for IUPHAR GI SECTION MEETING 2016. (Please note that abstracts will be included in the final programme only if the presenting author has formally registered and paid the registration fee.)

Accepted abstracts will be published in a suppl. of **Inflammopharmacology**.
