DRUGA OBAVIJEST

s preliminarim programom
i pozivom za sažetke

SECOND ANNOUNCEMENT

with Preliminary Programme
and Call for Abstracts

Poštovane kolegice i kolege,

sa zadovoljstvom Vas pozivamo u ime Organizacijskog odbora na **10. Hrvatski kongres farmakologije i 1. Hrvatski kongres kliničke farmakologije**, s međunarodnim sudjelovanjem, koji će se održati u Opatiji, od 22. do 25. rujna 2022. godine.

Posebno želimo istaknuti da u organizaciji i provedbi nadolazećeg kongresa po prvi put zajednički sudjeluju Hrvatsko društvo farmakologa i Hrvatsko društvo za kliničku farmakologiju i terapiju Hrvatskog liječničkog zbora što zasigurno predstavlja bitan iskorak u još značajnijem povezivanju znanosti i struke u području farmakologije.

Na Kongresu očekujemo više stotina sudionika, od vrhunskih stručnjaka do studenata različitih profila i interesa, koji će imati priliku putem simpozija, okruglih stolova, radionica i plenarnih predavanja raspravljati o suvremenim postignućima i trendovima u području temeljne i kliničke farmakologije, farmakoterapije, sigurnosti primjene i regulative lijekova te edukacije liječnika, farmaceuta i drugih stručnjaka u području lijekova. Putem poster prezentacija, predviđena su izlaganja sudionika s vlastitim istraživanjima, unutar kojih će se posebna pažnja posvetiti izlaganju studenata u svrhu popularizacije farmakologije među mladima. Cilj nam je znanstveno – popularnim prezentacijama na različitim razinama ostvariti integrativni pristup farmakologiji te se otvoriti i prema široj javnosti. Sudionici kongresa će moći dobiti bodove odgovarajućih strukovnih komora, a polaznici poslijediplomskog studija odgovarajući broj ECTS bodova.

Osim znanstvenog i radnog dijela Kongresa, veselimo se zajedničkom druženju u predivnoj Opatiji, nadaleko poznatoj po prirodnim ljepotama, mediteranskoj klimi, povijesnim spomenicima, kilometarskim šetalištima uz more te preko 170 godina tradicije u turizmu.

Dobrodošli u Opatiju u rujnu 2022.!

Prof. dr. sc. **Jasenka Mršić-Pelčić**, dr. med.
Predsjednica Hrvatskog društva farmakologa

Prof. dr. sc. **Dinko Vitezić**, dr. med.
Predsjednik Hrvatskog društva za
kliničku farmakologiju i terapiju HLZ

Dear colleagues,

It is our pleasure to invite you on behalf of the Organizing Committee to the **10th Croatian Congress of Pharmacology** and the **1st Croatian Congress of Clinical Pharmacology and Therapeutics** with international participation, which will be held in Opatija, from 22 to 25 September 2022.

We would like to emphasize that this is the first time the Croatian Pharmacological Society and the Croatian Society for Clinical Pharmacology and Therapeutics of the Croatian Medical Association are jointly participating in the organization and implementation of the upcoming Congress.

We expect that participants of the Congress will be from top experts to students of various profiles and interests. Through symposiums, round tables, workshops and plenary lectures, participants will have the opportunity to discuss current achievements and trends in basic and clinical pharmacology, pharmacotherapy, drug safety and regulation, as well as education of physicians, pharmacists and other experts in the field of pharmacology. Participants are expected to present their research through poster presentations, and special attention will be paid to student presentations in order to popularize pharmacology among young scientists. Our goal is to achieve an integrative approach to pharmacology through popular science presentations at different levels and to open up to the general public. Congress participants will be able to receive credits from relevant professional chambers, and postgraduate students will be able to receive the appropriate number of ECTS points.

Besides the scientific and formal part of the Congress, we look forward to spending time together in charming Opatija, widely known for its natural beauty, Mediterranean climate, historical monuments, long coastal promenades and over 170 years of tourist tradition.

Welcome to Opatija in September 2022!

Prof. **Jasenka Mršić-Pelčić**, MD, PhD
President of the Croatian Pharmacological Society

Prof. **Dinko Vitezić**, MD, PhD
President of the Croatian Society for Clinical
Pharmacology and Therapeutics of the CMA

Upute za pisanje i prijavu sažetaka / Instructions for composition and submission of abstracts

Sažetak mora biti napisan na engleskom jeziku. Sažeci neće biti lektorirani te odgovornost za jezičnu primjerenost preuzimaju autori. Tekst sažetka piše se u Win word programu i može sadržavati maksimalno 250 riječi (bez naslova, imena autora i pripadajućih institucija). Potrebno je koristiti razmak 1, slova tipa Times New Roman i veličinu slova 12 te ne podebljavati naslov, imena autora niti tekst sažetka. Naslov se piše velikim slovima. U novi red upisati prezime i inicijale imena svih autora. Podcrtati ime autora koji će prezentirati rad. U novi red upisati punu adresu institucije u kojoj je rad izrađen. Ukoliko su autori iz različitih ustanova, pripadnost ustanovi je potrebno označiti brojevima. U novi red navesti adresu e-pošte autora koji će biti izlagač. Tekst sažetka treba započeti pisati u novom redu. Sažeci trebaju biti strukturirani i sadržavati slijedeće dijelove: Introduction, Materials and methods, Results, Conclusions.

Svaki sudionik može biti prvi autor na jednom sažetku te ko-autor na najviše pet sažetaka, uključujući sažetke predavanja na simpozijima i sažetke postera. Sažeci ne smiju biti prethodno objavljeni. Sažetke molimo poslati isključivo putem *online* obrasca koji se nalazi na mrežnoj stranici <https://web.empl.io/FARMAK02022> do 10. srpnja 2022. Organizatori će do 25. srpnja 2022. obavijestiti autore o prihvatanju sažetaka. Prvi autor obavezan je platiti kotizaciju, koja je (uz registraciju) uvjet za tiskanje sažetka, a prihvaćeni sažeci bit će dostupni u elektroničkom obliku kao *supplement* časopisa Pharmaca.

Abstracts should be written in English, in the Win word programme and should not exceed 250 words (without titles and the names of authors and their institutions). As abstracts will not go through language editing, the responsibility for their language accuracy lies with the authors. Line spacing should be single, font Times New Roman, font size 12, without bolded title, author names or text itself. The abstract title should be in capital letters. The line below the title should contain the surnames and first name initials of all authors, with the presenters' name underlined. The following line should state the full name of the institution at which the paper was created. If the authors are from different institutions, their affiliations should be marked by numbers. The next line should contain the presenters' e-mail address. The abstract itself should begin in the following line. Abstracts should be structured and should contain the following sections: Introduction, Materials and methods, Results, Conclusions.

Each participant may be the first author on one abstract and co-author on a maximum of 5 abstracts, including abstracts for both symposia lectures and posters. The abstracts must be previously unpublished. Abstracts should be submitted only by the online form which can be found at the webpage <https://web.empl.io/FARMAK02022> by July 10, 2022. The authors will be notified regarding the acceptance of their abstracts by July 25, 2022. Payment of the registration fee is mandatory for the first author, and, as well as registration, is a prerequisite for the accepted abstract to be published in electronic form of supplement of Pharmaca.

Upute za izradu postera / Instructions for posters

Veličina postera treba biti do 120 cm visine i do 90 cm širine. Tekst treba biti napisan na engleskom jeziku i sadržavati sljedeća poglavlja: Introduction, Materials and methods, Results, Conclusions, References. Od autora se očekuje prisutnost uz poster tijekom vremena predviđenog za prezentaciju i raspravu. Stručno Povjerenstvo dodijelit će nagrade za najbolji poster iz temeljnih, kliničkih i ostalih znanosti, te zasebno najbolje nagrade za postere prijediplomskih studenata, na svečanoj dodijeli nagrada prije zatvaranja kongresa.

The poster size should be a maximum of 120 cm (height) x 90 cm (width). Text should be in English and it should contain the following sections: Introduction, Materials and methods, Results, Conclusions, References. The authors are expected to be present by their posters during the presentation and discussion periods. An award for the best poster in the field of basic, clinical and other sciences, as well as additional awards for the best posters by undergraduate students, selected by the Expert Committee, will be presented at the awards ceremony before the closing of the Congress.
