**PRELIMINARNI PROGRAM
PRELIMINARY PROGRAMME**

**11TH CROATIAN CONGRESS OF
PHARMACOLOGY**

WITH INTERNATIONAL PARTICIPATION

SPLIT, SEPTEMBER 25 – 28, 2025.

Poštovane kolegice i kolege,

zadovoljstvo mi je pozvati Vas u ime Organizacijskog odbora na 11. hrvatski kongres farmakologije s međunarodnim sudjelovanjem koji će se održati u Splitu od 25. do 28. rujna 2025. godine.

Hrvatsko društvo farmakologa ima dugu tradiciju organiziranja uspješnih kongresa uz okupljanje vodećih stručnjaka iz zemlje i inozemstva u području temeljne i kliničke farmakologije i srodnih disciplina. Kongres će biti otvoren za predstavljanje širokog spektra tema povezanih s farmakologijom koje će biti zanimljive znanstvenicima i stručnjacima iz različitih polja biomedicine i zdravstva. Za ostvarenje tog cilja pozvani su na aktivno sudjelovanje u radu Kongresa temeljni i klinički farmakolozi, Agencija za lijekove i medicinske proizvode Republike Hrvatske, farmaceutske tvrtke, farmaceuti te ostali profesionalci kojima je farmakologija blisko područje znanosti. Posebna pozornost bit će posvećena stvaranju poticajnog ozračja za mlade znanstvenike da u što većem broju predstave svoj rad, međusobno se upoznaju i razmjenjuju ideje.

Program Kongresa odvijat će se kroz plenarna predavanja uglednih znanstvenika iz Hrvatske i inozemstva, simpozije, poster sekcije, okrugle stolove, radionice te promotivna predavanja i izložbe. Putem poster prezentacija, predviđena su izlaganja sudionika s vlastitim istraživanjima, unutar kojih će se posebna pažnja posvetiti izlaganju studenata u svrhu popularizacije farmakologije među mladima. Sudionici Kongresa će moći dobiti bodove odgovarajućih strukovnih komora, dok će sažetci svih prezentacija biti objavljeni u knjizi sažetaka Kongresa.

Uz znanstveni i radni dio Kongresa, planiran je bogat društveni i kulturni program. Vjerujemo da će ugodnom doživljaju Kongresa uvelike doprinijeti jedinstveni mediteranski duh i povijesna baština grada Splita.

Radujemo se susretu u Splitu!

Darko Modun
Predsjednik Organizacijskog odbora

Dear colleagues,

On behalf of the Organizing Committee, I am pleased to invite you to the 11th Croatian Congress of Pharmacology with international participation, which will be held in the city of Split, from 25th to 28th of September 2025.

The Croatian Pharmacological Society has a long tradition of organizing successful congresses by gathering leading national and international experts in basic and clinical pharmacology and related disciplines. The Congress is open for presentations of broad spectrum of topics related to pharmacology that will be appealing to the scientist and professionals from various fields of biomedicine. To achieve that goal, we have invited both basic and clinical pharmacologists, the Agency for Medicinal Products and Medical Devices of Croatia as well as pharmaceutical companies and pharmacists, to take an active part in the Congress. A particular care is taken to create a positive and encouraging environment for young researchers so they can present their work, get to know each other and exchange ideas.

The Congress program includes plenary lectures presented by prominent scientist from Croatia and abroad, symposia, poster sessions, round tables, workshops as well as promotional lectures and exhibitions. Congress participants will be able to receive credits from relevant professional chambers, and abstracts of all presentations will be published in the Book of abstracts.

In addition to the scientific and professional components of the program, we have organized a variety of social and cultural activities. We trust that you will find the city of Split, with its distinctive Mediterranean spirit and rich historical heritage, to be a delightful setting for the Congress.

We are looking forward to seeing you in Split!
